

# post-graduated training programme

CENTRO DE BIOLOGIA, UNIVERSIDADE DO MINHO  
Departamento de Biologia - Braga - PORTUGAL

2007

1 / 4 May

## Exploring molecular approaches to cancer research

Organizers & Lecturers  
Invited Lecturers

Cristina Pereira, Olga Coutinho and Rui Oliveira, Biology Dep., Minho Univ.  
Andrew Collins, Oslo Univ., Norway; Mikkel Rohde, Danish Cancer Society, Denmark.

7 / 11 and 14 / 18 May

## Biology's Engineering principles for design of protein-based machines and materials

Organizer & Lecturer  
Invited Lecturer

Margarida Casal, Biology Dep., Minho Univ.  
Dan Urry, University of Minnesota, Biotechnology Institute, St. Paul, USA.

28 May / 3 June

## Workshop on Manipulation of plant secondary metabolism

Organizer & Lecturer  
Invited Lecturer

Alberto Dias, Biology Dep., Minho Univ.  
Margarida Oliveira, ITQB, Portugal.

4 / 8 June

## Plasma membrane transporters. Physiology, Genetics & Phylogeny 2<sup>nd</sup> Ed.

Organizers & Lecturers  
Invited Lecturers

Margarida Casal, Cândida Lucas, Biology Dep., Minho Univ.  
André Goffeau, Univ. Catholique de Louvain, Belgique; George Diatlinas, Univ. of Athens, Greece; Teresa Moura, New Univ. Lisbon, Portugal; Maria João Sousa, Hermeni Gerós, Biology Dep. / Opening lecture by Cecília Leão, ECVS, Minho Univ.

18 - 22 June

## Molecular identification and characterization of yeasts from foods and beverages

Organizer & Lecturer  
Invited Lecturer

Dorit Schuller, Biology Dep., Minho Univ.  
Jean-Luc Legras, INRA, Unité Mixte de Recherche Vigne et Vin, Frances d'Alsace, France.

17 - 20 July

## Interactions between fungi and toxic metals

Organizers & Lecturers  
Invited Lecturers

Fernanda Cássio and Cláudia Pascoal, Biology Dep., Minho Univ.  
Dirk Wesenberg, Gerd-Joachim Kraus, Martin Luther Univ., Germany;  
Jean Colpaert, Halle-Wittenberg Univ, Belgium.

17 / 21 September

## Host-fungus interactions and virulence

Organizers & Lecturers  
Invited Lecturers

Célia Pais and Paula Sampelo, Biology Dep., Minho Univ.  
Bernhard Hubo, Leibniz Institute for Natural Product Research and Infection Biology, Germany; Concha Gil, Univ. Complutense, Spain; Manuel Vilanova, ICBAS, Portugal;  
Manuel Santos, Aveiro Univ., Portugal.
